The Noodle Box Guide to Spiciness

Very Mild	As mild as possible (not available with Spicy Peanut, Lamb Curry and not recommended with Thai Green Curry, Thai Red Curry, Cambodian Jungle Curry and Tom Yum Soup).
Mild	Good starting point, little or no chili heat.
Mild +	A light tingle, a good heat for beginners.
Mild - Medium	A "western" medium.
Medium	Closer to a "western" hot, plenty of flavour, with a good after burn.
Medium - Hot	After you've conquered the mediums, this is the next step.
Hot	A serious chili heat, fiery yet not out of control.
Xtra Hot	Hot kicked up a notch..... bam?
XXX Hot	This is full on chili heat, it will make you sweat!
Suicide Hot	No apologies for the heat, only for the brave! Very, very spicy!

Dishes with the chili icon have some amount of chili built in, they will be at least a little spicy!

Bulol - An Ancient Rice God; a carving of the Ifugao people, Mountain Province, Northern Philippines.

These carved figures are ritually placed in rice granaries and also on the famous Rice Terraces of Banaue to bring a plentiful harvest.
